

Pure Kona Green Market

Setup & Breakdown Procedures

Our Upper parking lot is reserved for our valuable guest, the less parking the less buyers!!

Setup: Drive in no earlier than 6:30 am to unload. Please enter, stay to the right and drive around to exit.

Do not put up your tent before parking your car, especially if someone is waiting behind you. Leave to park your vehicle in the **Vendor Parking Lot** located on the other side of the baseball field behind fire station. Look for the stop sign. Map available. **All vendors are required to park in vendor parking unless you have blue handicap parking pass.** Return to set up your tent and displays. Please observe the no parking signs along the market.

Breakdown: Breakdown everything (including tent) before bringing your car into the market grounds. Load and drive away immediately. Enter and exit the same direction. This will allow others to do the same.

Rain: You may leave your tent up. Please breakdown everything else. Cars can come in early if approval is given by Leona or person in charge in her absence. If you arrive after 9 am you will need to walk your things into the market. Check with Leona for assistance. No one is allowed to breakdown their tents before 2 pm. If you need to leave for any reason, your tent will need to stay up until after market hours. You are required to check with Leona if this occurs. For the safety of our customers and vendors no cars are allowed into market before 2 pm.

There is no staging area in front of driveway. You can

park in upper parking lot to wait if you want to bring your car down earlier.

I appreciate your participation to allow a smooth setup and breakdown.

Reminder:

Our vendor meetings are held the second Sunday of every month at 2:30pm, near the office. Bring your own chairs & it's Potluck! ;)

Mahalo,

LeonaB
